Electronic Giving

There are two ways to give electronically: PushPay & Electronic Funds Transfer (EFT). Both are convenient & reliable ways to fulfill your financial commitment to the church. Most importantly, both help to maintain a predictable cash flow.

1) PushPay can be accessed via peopleofgrace.org/give. With PushPay you can set up one-time & reoccurring donations. You manage the source (credit card or bank account), date, & amount of your giving. With PushPay your donations are automatically entered into your giving record on Grace Connect.

__ I/We choose to give electronically through PushPay.

2) EFT giving is managed by church staff using bank routing & account information from a voided check.

__ I/We choose to give electronically through Electronic Funds Transfer (EFT).

__ For EFT giving, please use the bank account information currently on file.

__ For EFT giving, attach a voided check which has account information for withdrawals. Withdrawals will begin on January 13, 2024, unless otherwise specified.
